ABSTRACT

As a part of academic requirement of university, we have to carry out internship programme in an industry set up related to the construction/materials testing laboratories/project management consulting firms or other avenues related to civil engineering domain in consultation, for about one month. The main intention of this programme is to get industrial exposure in terms of structural as well as in construction work. This document represents a set of work done as a part of internship.

We found **RESIDENTIAL BUILDINGS** as one of the good project which offered us for internship. Hence, I am thankful for the **CHIEF EXECUTIVE ENGINEER, Mr. MOHAMMED RAFI**

PRINCIPAL
SIET, TUMKUR.

TO WHOM SO EVER IT MAY CONCERN

This is to certify that Mr. Harish Kumar B (ISV19CV010) a B.E Civil Engineering student of ShriDevi Institute of Engineering and Technology has successfully completed his internship from our organisation Samawi Homes, from 01th September 2022 to 01th October 2022 at our Ashiyana villa project site Bangalore under the guidance of Mr. Raju- Project Manager.

During the period of his internship, we found him punctual, hardworking, and inquisitive.

We wish him every success in life.

For Samawi Homes.
