## ABOUT FLAIR

'Flair' as the name suggests is the grand event, the college conducts once in a year, which bring teachers, students and parents together.

The celebration of 'Flair', is crucial as it provides a platform for the students to showcase their talents and urges the teachers to put their best. It is on this occasion that the students get a chance to step on to the stage and conquer their fear of speaking or performing in front of a large gathering. The parents, in this revolutionary age of media, aspire to see their wards on the stage. From academic point of view the annual day celebrations are the best ways to present our culture to the students.

To motivate the students 'great personalities are usually called as chief

guests different fields. CIT also hosts the 'ethnic day celebration', prior to Flair. Ethnic day is celebrating the diverse Indian culture. Ethnic day event, with different folk artists performing live, exposes the students to different folk art.

'Flair' the annual day celebration is a great way to bring our culture into the classroom. Various events from dancing, singing to acting all they provide an opportunity to understand and respect our culture. CIT family consider this event as a part of the college promotional activity and plans and execute every year, in a meaningful and productive manner....
