## **Report of Inaugural function of the workshop “Mobile Application Development using Android”.**

A Six-day workshop on “**Mobile Application Development using Android**” is arranged on weekends from 24 Mar 2018 organized by Department of Computer Science and Engineering under **CSI-SIET Student Chapter** in Shridevi Institute of Engineering & Technology (SIET).

The focus of this workshop is to have a platform for engineering students of CSE to develop mobile apps using Android. Mobile is the future of Software Development. With the increase in the number and make of mobile phones, there comes a demand for better applications. And in turn, huge scope of android mobile application development in India. Now, this puts a light on why companies like Nokia, BlackBerry, Samsung, HTC, Motorola, Google and many others are going wild with their innovations – increase in the need and use of Mobile Applications. Conduction of this workshop greatly helps in imparting creative skills among the students and also helps to get a job in various software companies.

The Workshop was inaugurated by Chief Guest **Dr. N Chandrashekar**, Dean Academics & HOD Dept of chemistry, SIET, Tumakuru, and also addressed the gathering saying that many more workshops should be conducted in a similar manner for the benefit of the students and to develop knowledge.

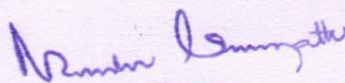

**Prof.C.V.Shanmuka Swamy** HOD, CSE, expressed in his speech the importance of CSI Chapter and the various activities conducted under the chapter by quoting a few like C++, C# and the importance of the workshop ” **Mobile Application Development using Android**” in various fields and its scope.

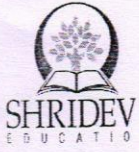

**Mr. Shankar Kumar** ,Senior Android developer, Spotasap Company, Bangalore is delivering hands-on workshop session on the “**Mobile Application Development using Android**”.

The invocation song was sung by Ms.Bhargavi B M, 6<sup>th</sup> sem student  
The function was anchored by Ms Sharon B George 6<sup>th</sup> sem student  
Vote of thanks was presented by Ms Chandana H, 6<sup>th</sup> sem student

23/04/2018

The Department of Civil Engineering has organised an Expert Lecture from IISc Professor, Bengaluru for 4<sup>th</sup>, 6<sup>th</sup> and 8<sup>th</sup> semester Civil Engineering students. The event conducted on 21/04/2018 at 10:00am in Mechanical Seminar hall.

Dr. T V Ramachandra delivered Expert Lecture on "*Geo – Informatics for Prudent management of Natural Resources*". All our 4<sup>th</sup>, 6<sup>th</sup> and 8<sup>th</sup> semester Civil Engineering students along with Civil Engineering Faculty attended the function. The event activity was published in the kannada local news paper ( Pragapragathi) under the Title "**Manavana Duraseinda Parisara Nasha**".

The Dr. T V Ramachandra expressed in the talk that due to the greedy behaviour human beings today Bangaluru is having only one hundred Lakes instead of one thousand four hundred. Forty years back bangaluru was having 70% green cover. Today this has been reduced to 20%. Due to the imbalance in the environment and cutting of trees the atmospheric temperature is in the rising trend and depletion of oxygen in the present days. He also expressed that people should cultivate the habit of planting and protecting the trees.

The dignitaries Sri. M S Patil, Director –HR&IT, SCT, Tumakuru has Grace the function , Dr. Shashidhara Professor, Dept of Mechanical Engineering, Dr. N Chandrashekhara, Dean Academic present during the function.

The function was invoked by VI Semester student Komal Rani , Welcome Speech by Dr. G MaheshKumar, Professor, the Guest was Introduced by Prof. Manogna H N. All the Department faculties, Staff and students attended the function.

## ONE DAY WORKSHOP ON RESEARCH METHODOLOGY-REPORT WRITING

### Introduction:

The workshop on "Report Writing - Research Methodology-Report Writing " was organized the Department of Computer science at Shridevi Institute of Engineering and Technology on 11/09/2017. The primary objective of the workshop was to enhance the participants' understanding and skills in writing effective research reports. The workshop aimed to provide valuable insights into the research methodology and equip participants with the necessary tools and techniques to produce high-quality reports.

### Program Objectives:

The program's primary objectives were to:

1. Overview of research methodology
2. Identifying research objectives and questions
3. Research design and methodology selection
4. Components of a research report
5. Creating an effective report structure
6. Organizing and presenting research findings
7. Clarity and conciseness in writing
8. Use of appropriate language and terminology
9. Avoiding plagiarism and maintaining ethical standards

### Resource Person:

Dr. Ramkrishna K S  
HOD, Department of MBA  
SIET, TUMKUR

### Participants:

The program was attended by 7<sup>th</sup> semester computer science students of SIET college.

### Outcome:

1. Understanding the key principles and components of research methodology
2. Developing the ability to structure and present research reports effectively
3. Enhancing writing style, language proficiency, and adherence to ethical standards

**Conclusion:**

The workshop on "Report Writing - Research Methodology" was successful in providing participants with valuable insights and practical skills in producing high-quality research reports. The sessions covered a wide range of topics, from research design to data analysis and report structuring. The participants expressed satisfaction with the workshop content, delivery, and the interactive nature of the sessions. The workshop facilitated the development of crucial skills that would enable the participants to conduct research effectively and present their findings in a clear and concise manner.

## ONE DAY WORKSHOP ON

### RESEARCH METHODOLOGY- REPORT ETHICS

#### Introduction:

The workshop on “**Research Methodology-Report Ethics**” was organized the Department of EEE at Shridevi Institute of Engineering and Technology on 11/09/2017. The primary objective of the workshop was to enhance the participants' understanding and skills in problem definition in research work. The workshop aimed to provide valuable insights into the research methodology and equip participants with the necessary tools and techniques to produce high-quality reports.

#### Program Objectives:

The program's primary objectives were to:

- Overview of research methodology
- Identifying research objectives and questions
- Research design and methodology selection
- Components of a research report
- Creating an effective report structure
- Organizing and presenting research findings
- Clarity and conciseness in problem definitions
- Use of appropriate language and terminology
- Avoiding plagiarism and maintaining ethical standards

#### Resource Person:

Prof. B N Prathap  
Department of MBA  
SIET, Tumkur

#### Participants:

The program was attended by 7<sup>th</sup> semester EEE students of SIET College.

**Outcome:**

- Understanding the key principles and components of research methodology
- Developing the ability to structure and present research reports effectively
- Enhancing writing style, language proficiency and adherence to ethical standards

**Conclusion:**

The workshop on "Research Methodology-Report Ethics " was successful in providing participants with valuable insights and practical skills in producing high-quality research reports. The sessions covered a wide range of topics, from research design to data analysis and report structuring. The participants expressed satisfaction with the workshop content, delivery, and the interactive nature of the sessions. The workshop facilitated the development of crucial skills that would enable the participants to conduct research effectively and present their findings in a clear and concise manner.
