Sira Road, Tumakuru - 572 106. Karnataka.

## **Faculty Development Program on**

### **“Applications of Mathematics in engineering”**

#### **Introduction:**

A Faculty Development Program on Applications of Mathematics in Engineering was organized by the Department of Mathematics at Shridevi Institute of Engineering and Technology from 6th October to 11th October 2017. The program aimed to enhance the mathematical skills and knowledge of the faculty members of engineering colleges, enabling them to integrate mathematical concepts into their engineering teaching curriculum.

#### **Program Objectives:**

The program's primary objectives were to:

1. Develop an understanding of the importance of mathematics in engineering.
2. Enhance the knowledge and skills of the faculty members in mathematical concepts and their applications in engineering.
3. Enable the faculty members to incorporate mathematical concepts into their teaching curriculum effectively.
4. Provide a platform for participants to exchange ideas and discuss best practices in integrating mathematics into engineering education.
5. Facilitate networking and collaboration among participants and resource persons.

# SHRIDEVI INSTITUTE OF ENGINEERING & TECHNOLOGY

(Recognised by Govt. of Karnataka, Affiliated to VTU, Belagavi and Approved by AICTE, New Delhi)

Sira Road, Tumakuru - 572 106. Karnataka.

## Resource Person:

1. Dr. Kishore Kumar M K

Professor, Mathematics,

SIET Tumkur

2. Dr. Chethana C

Associate Professor, Mathematics,

SIET Tumkur

## Program Schedule:

The One Week FDP program included lectures, hands-on sessions, and interactive sessions. The topics covered during the program were:

1. Linear Algebra and its Applications in Engineering.
2. Differential Equations and their Applications in Engineering.
3. Numerical Methods and their Applications in Engineering.
4. Optimization Techniques and their Applications in Engineering.
5. Probability and Statistics and their Applications in Engineering.

# SHRIDEVI INSTITUTE OF ENGINEERING & TECHNOLOGY

(Recognised by Govt. of Karnataka, Affiliated to VTU, Belagavi and Approved by AICTE, New Delhi)

Sira Road, Tumakuru - 572 106. Karnataka.

## Participants:

The program was attended by 60 faculty members from various departments from the college. The participants were from different specializations, including mechanical engineering, electrical engineering, civil engineering, and computer science engineering.

## Outcome:

The program was successful in achieving its objectives. The participants gained a better understanding of the importance of mathematics in engineering and acquired new skills and knowledge on mathematical concepts and their applications in engineering. The hands-on sessions and interactive sessions were helpful in reinforcing the concepts learned during the lectures. The participants expressed their satisfaction with the program's organization and the quality of the resource persons.

## Conclusion:

The Faculty Development Program on Applications of Mathematics in Engineering organized by the Department of Mathematics at Shridevi Institute of Engineering and Technology was a success. The program helped in enhancing the knowledge and skills of the faculty members in mathematical concepts and their applications in engineering. The participants gained a better understanding of the importance of mathematics in engineering and were able to incorporate mathematical concepts into their teaching curriculum effectively. The program provided a platform for participants to exchange ideas and discuss best practices in integrating mathematics into engineering education. It is hoped that such programs will continue to be organized to enhance the quality of engineering education in the country.

## Glimpses of the Event

## Time Management Workshop

On August 18th 2017, Time Management Workshop was conducted for non-teaching staff members at the Shridevi Institute of Engineering & Technology.

### Workshop Content:

#### Introduction:

This report summarizes the Time Management Workshop held for non-teaching staff at our organization. The purpose of the workshop was to provide employees with the tools and techniques necessary to improve their time management skills and increase their productivity. The workshop was attended by X number of participants and was held on X date.

#### Workshop Objectives:

The workshop aimed to achieve the following objectives:

1. To increase awareness of the importance of time management and its impact on productivity
2. To provide participants with tools and techniques for effective time management
3. To develop strategies for prioritizing tasks and reducing interruptions
4. To promote a culture of time management within the organization

#### Workshop Content:

The workshop was divided into three main sections:

1. Introduction: The facilitator provided an overview of the workshop objectives and explained the importance of time management. Participants were also given an opportunity to share their experiences and challenges related to time management.
2. Time Management Techniques: The facilitator presented various time management techniques, such as prioritizing tasks, setting goals, creating to-do lists, and managing interruptions. Participants were encouraged to share their own techniques and discuss how they could apply these techniques in their work.

# SHRIDEVI INSTITUTE OF ENGINEERING & TECHNOLOGY

(Recognised by Govt. of Karnataka, Affiliated to VTU, Belagavi and Approved by AICTE, New Delhi)

Sira Road, Tumakuru - 572 106, Karnataka.

3. Group Activity: Participants were divided into small groups to work on a time management case study. Each group was given a set of tasks and a limited amount of time to complete them. This activity helped participants practice prioritization, time management, and working efficiently under pressure.

## **Feedback:**

The workshop received positive feedback from the participants. Many employees reported that they found the workshop informative and practical, and that they learned new techniques for managing their time more effectively. Participants also appreciated the opportunity to work with their colleagues in the group activity, which helped to promote teamwork and collaboration.

## **Recommendations:**

Based on the feedback received, we recommend the following:

1. Offer regular time management workshops: Hold regular workshops on time management to reinforce the concepts learned and provide ongoing support for employees.
2. Encourage time management practices: Encourage employees to apply the techniques learned in the workshop in their daily work, by providing reminders and resources such as posters, tip sheets, and access to time management tools.
3. Evaluate effectiveness: Monitor and evaluate the effectiveness of time management practices in the organization, and make adjustments as needed.

## **Conclusion:**

Effective time management is a critical skill for increasing productivity and achieving organizational goals. The Time Management Workshop for non-teaching staff provided participants with the tools and techniques necessary to improve their time management skills and promote a culture of productivity within the organization.
