ONE DAY WORKSHOP ON RESEARCH METHODOLOGY- RESEARCH ETHICS

Introduction:

The workshop on "Research Methodology- Research Ethics " was organized the Department of Computer science at Shridevi Institute of Engineering and Technology on 05/10/2020. The purpose of the workshop was to provide participants with a comprehensive understanding of ethical considerations in the research process. This report aims to summarize the key topics covered during the workshop and highlight the insights gained by the participants.

Program Objectives:

1. The importance of maintaining privacy and confidentiality in research was emphasized.
2. Ethical considerations in data management and sharing.

Resource Person:

Mr.Prathap B N
Department of MBA
SIET Tumkur

Participants:

The program was attended by 7th semester computer science students of SIET college.

Outcome:

1. Understanding the ethical principles and guidelines governing research.
2. Recognizing the importance of obtaining informed consent and ensuring participant privacy and confidentiality.
3. Learning about the ethical considerations in research involving human subjects and vulnerable populations.
4. Gaining knowledge of responsible data management practices and the ethical implications of data sharing.

5. Understanding the consequences of plagiarism and the significance of proper citation and intellectual property rights.

Conclusion:

The workshop on research ethics in research methodology provided participants with a solid foundation in ethical considerations during the research process. The comprehensive coverage of ethical principles, guidelines, and regulations equipped participants with valuable knowledge and skills for conducting research in an ethical manner. The workshop was successful in achieving its objectives and received positive feedback from the participants, indicating the importance and relevance of research ethics in their work.
