Technical Talk on “BLOCKCHAIN TECHNOLOGY”

At

Shridevi Institute of Engineering & Technology, Tumkur

On

26th May 2022

Department of Electronics and Communication Engineering at Shridevi Institute of Engineering & Technology, Tumkur in association with IETE (ISF) bengaluru has organised virtual technical talk on “Blockchain Technology”. Using google meet app platform on may 26th May 2022.

Dr.Narendra Vishwanath, princiapl SIET appreciated the efforts of department for organising technical activities.

Prof.Aizaz Ahmed Sharief , department Head , wished students to enhance their real time practical exposure by attending technical session .

Event coordinator Dr.umesha G B'has addressed welcome speech and discussed about importance of Blockchain Technology in real time day to day life. **Resource person Dr.S.Shitharth, Associate Professor , Kebri Dehar University , Ethopia** has delivered useful information about importance of blockchain technology , network security and bitcoin . E explained about future trends Blockchain technology applications with real time scenario.

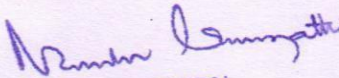

Dr.Pradeep K'G M , Associate Professor & ISF coordinator has expressed token of gratitude to all who involved in making the technical talk successful.

Students of ECE department Second , Third year were actively participated in this event .Prof .Raghavendra , Prof.pradeep kumar SS has wished and advised students to improve their technical knowledge in cutting edge technologies.

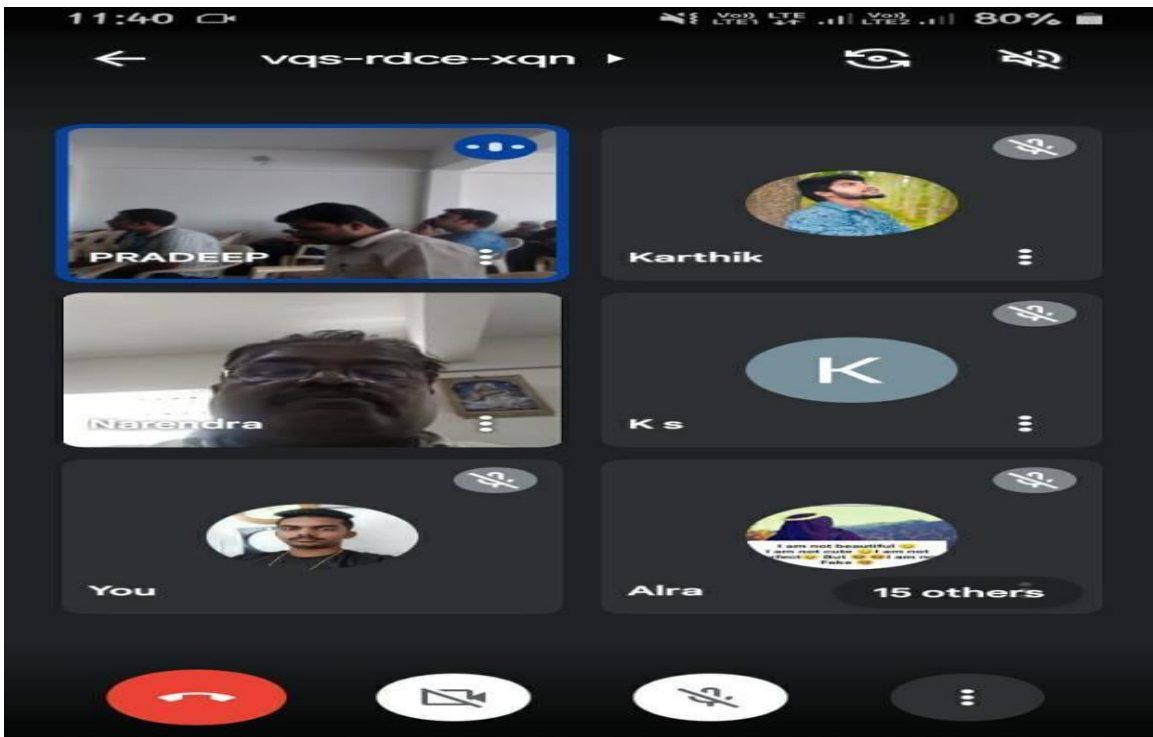

Venue: Edusat Hall

Place : SIET Campus

Date: 26-05-2022

To: HOD ECE <hod.ece@shrideviengineering.org>

Dear Sir,

I am happy to be the resource person in the 2 day workshop on Python Programming scheduled during second week of May 2022. I thank you for providing this opportunity. My colleagues Dr. T C

Pramod and Dr. Bhargavi will be providing support during the workshop.

Thanking you

With warm regards

Dr. N R Sunitha

Professor, Dept. of CSE

Good morning,

Dear Madam,

Greetings from all of us at the Electronics & Communication Engineering department ,Shridevi Institute of Engineering & Technology, Tumkur.

Shridevi Institute of Engineering & Technology (SIET), an Institute of Higher Education was established in the year 2002 with the sole aim of imparting quality Technical Education. It is approved by AICTE & affiliated to Visvesvaraya Technological University, Belagavi, Karnataka state and presently offers Under-Graduate Programmes, Post Graduate Programmes and Ph.D. Research Programmes – covering 'Engineering & Technology', and 'Management' streams.

25th May 2022

Department of Electronics and Communication Engineering at Shridevi Institute of Engineering & Technology, Tumkur in association with IETE (ISF) Bengaluru has **facilitated Online workshop on NPTEL Local Chapter Awareness Joint initiative Programme of IIT'S & IISc under MHRD , Govt of India.** Using you tube live streaming platform on may 25^h 2022. Dr. Narendra Vishwanath, principal SIET appreciated advised students to participate in different quality improvement programmes to reach industrial requirements. Prof. Aizaz Ahmed Sharief , department Head , wished students to upgrade their technical knowledge and awareness about NPTEL online certificate courses by attending technical session .

Event coordinator Dr. Umesh G B has addressed welcome speech and discussed about importance of how to make use of NPTEL certification courses in multi dimension . Resource person from IITs has explained in detail about NPTEL ONLINE certificate courses eligibility conditions , registration fees , certificates categories and its weights across the country.

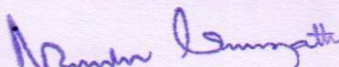

Dr. Pradeep K G M , Associate Professor & ISF coordinator has expressed token of gratitude to all who involved in making the technical talk successful.

Students of ECE department Second , Third year were actively participated in this event . Prof .Raghavendra , Prof. Pradeep Kumar SS has wished and advised students to improve their technical knowledge in latest technologies.

6. Expert Lecture on Project ideation for livelihood

Event Conducted	: Expert lecture
Date	: 26/04/2022
Time	: 10:00 am to 12:30 pm
Venue	: Edusat hall, SIET, Tumkur
Targeted Audience	: 6 th sem Students of ECE Department
Lecture on	: Project ideation for livelihood
Resource person:	M.S.Jayachandra Aradya, Director, Silicon Microsystems, Bangaluru.

In collaboration with Shridevi Institute of Engineering & Technology and silicon Microsystems, Bangaluru announces one event on Project ideation for livelihood Under IETE Forum.

Event Summary:

This is one day event on Project ideation. This event gives an exposure to participants about how they can generate ideas and solutions through sessions such as Sketching, Prototyping, Brainstorming, Brain writing, Worst Possible Idea, and a wealth of other ideation techniques of project. Also gives an exposure to Design Thinking process, how live projects are designed and developed, also how students can create and implement the mini projects and main projects.

7. **Lecture on Sustainable Materials in Concrete and Construction of High Rise Buildings using Precast Technology”**

Department of Civil Engineering

a) Invited technical talks/ seminar

- Technical talk “**Sustainable Materials in Concrete**” was arranged on 17th May 2022 during the inauguration of ICI-Student chapter. The talk was delivered by Dr. L R Manjunatha Vice President, JSW Cement Ltd, Bengaluru.
- Technical talk “**Construction of High Rise Buildings using Precast Technology**” was arranged on 17th May 2021 during the inauguration of ICI-Student chapter. The talk was delivered Dr. R L Ramesh. Prof. & HOD, Department of Civil Engineering DBIT, Bengaluru.

Expert Lecture on Sustainable Materials in Concrete and Construction of High Rise Buildings using Precast Technology”

8. Expert Lecture on 360 degree bird view on Waste Water Treatment Technical talk “360 degree bird view on waste water treatment” was arranged on 25th November 2021. The talk was delivered by Er. Sreenivasa Reddy. B., Prop. Green Point, Bangalore.

The class is divided into 6 groups with a faculty member assigned to each group for guiding them to prepare for the seminar. The General Seminar is scheduled every Thursday for two hours.</p> <p>The first group presented the seminar on the topics as follows:</p> <ol style="list-style-type: none">1. Green Marketing2. Location Based Service3. Growth of Insurance in rural areas4. Building trust and respect among employees5. Lean Management
06/12/21	Internal Assessment	<p>Internal Assessment Test 1 was scheduled from 6/12/21 to 9/12/21 for the 3rd semester</p>
08/12/21	Business Lab	<p>Ad creation:</p> <p>This activity is intended at equipping students to acquire Marketing and Sales skills by diving deep into the process of creation of Advertisements for their Marketing and Sales goals. This will enhance their thinking and creativity skills and give them a platform to experiment with their ideas.</p>
09/12/21	Expert Talk	<p>Topic: “Career Orientation” Resource Person: Mr. Adarsh N Payroll Coordinator & HR Trainer HR Zone Bengaluru</p> <p>The talk was organized in order to expose the students to various HR and Finance skills that are basic to any job across industries. The students were encouraged to enhance these skills in order to be competitive and skilled to be placed in top companies and for a better career</p>
9/12/21	Management Club Activity	<p>Topic : Product Launch</p> <p>As a part of MCA this activity was conducted in order to boost the Entrepreneurial and Problem-solving qualities among students. The class was divided into 6 teams, each team consisting 5 members with a team leader to represent the team. The students</p>

were asked to introduce a novel business idea/solution considering the problems around them. The product ideas of the teams is as follows:

Team 1: Smart inhaler

Team 2: Omicure

Team 3: Auto Accident Alert

Team 4: AI Fan

Team 5: Sun Bag

It was a very interactive activity wherein the teams presented their respective products with a business plan and model followed by Question and Answer session.

ONE DAY WORKSHOP ON

RESEARCH METHODOLOGY- RESEARCH WRITING AND PUBLICATION

Introduction:

The workshop on "**Research Methodology- Research Writing and Publication**" was organized the Department of Computer science at Shridevi Institute of Engineering and Technology on 11/11/2021. The workshop aimed to provide participants with essential knowledge and skills to effectively write and publish research findings. This report summarizes the key topics covered during the workshop and highlights the insights gained by the participants.

Program Objectives:

1. Understanding the structure and components of a research paper and how to effectively organize their own work.
2. Gaining knowledge of literature review techniques to establish the theoretical foundation for their research.
3. Learning how to present research findings through effective data visualization techniques.
4. Acquiring skills in academic writing style, including appropriate language, grammar, and citation practices.
5. Understanding the publication process and strategies for successfully submitting manuscripts to journals.

Resource Person:

Dr. Ramkrishna K S
HOD, Department of MBA
SIET, TUMKUR

Participants:

The program was attended by 7th semester computer science students of SIET College.

Outcome:

The workshop provided guidance on structuring and organizing a research manuscript. Participants learned how to create a logical flow of information, maintain coherence between sections, and ensure the clarity and readability of their work.

Conclusion:

The workshop on research writing and publication in research methodology provided participants with valuable insights and skills for effectively writing and publishing their research findings. The comprehensive coverage of various aspects, including manuscript structure, literature review, data presentation, and citation practices, equipped participants with the necessary tools to enhance their research writing abilities. The positive feedback from participants indicates the workshop's success in achieving its objectives and meeting the needs of researchers seeking to improve their research writing and publication skills.

A Report on One Day Workshop - "Data Analysis"

Workshop Topic	"Data Analysis"
Date	05-08-2022
Time	10.30 am onwards
Venue	MBA Seminar Hall
Resource Person	Mrs. Grace Hemalatha Assistant Professor, SIET, Tumkur
Organising Chairman	Dr. K.S. Ramakrishna Head & Professor, SIET, Tumkur
Staff members	Mr. Prathap B.N, Asst. Professor, Dept. of MBA, SIET, Tumkur Mrs. Grace Hemalatha, Asst. Professor, Dept. of MBA, SIET, Tumkur Mrs. Amtul Naseeb, Asst. Professor, Dept. of MBA, SIET, Tumkur Mr. Sricharan, Asst. Professor, Dept. of MBA, SIET, Tumkur
Target Audience	2nd Sem MBA Students
Key Takeaways of Workshop Mrs. Grace Hemalatha explained the concept of Research designs for MBA Students. The session was conducted for both staff and students. The outcomes of the session were <ul style="list-style-type: none">• Students understood the methods and techniques of data collection and the sources through which it can be collected.• The research person explained the tools used in the analysis of data.• Students understood the ways of classification and tabulation of data.• There was a case study discussion at the end of the session. The Workshop was very useful to the business management postgraduate students and people's interaction with Resource Persons. The session was very interesting students gained knowledge about the Research methods and techniques which will help them in academics and also in the future if they undertake any research or paper publications.

ONE DAY WORKSHOP ON RESEARCH METHODOLOGY- REVIEW PROCESS

Introduction:

The workshop on “**Research Methodology-Review Process**” was organized the Department of EEE at Shridevi Institute of Engineering and Technology on 16/10/2021. The primary objective of the workshop was to enhance the participants' understanding and skills in problem definition in research work. The workshop aimed to provide valuable insights into the research methodology and equip participants with the necessary tools and techniques to produce high-quality reports.

Program Objectives:

The program's primary objectives were to:

- Overview of research methodology
- Identifying research objectives and questions
- Research design and methodology selection
- Components of a research report
- Creating an effective report structure
- Organizing and presenting research findings
- Clarity and conciseness in problem definitions
- Use of appropriate language and terminology
- Avoiding plagiarism and maintaining ethical standards

Resource Person:

Prof. B N Prathap
Department of MBA
SIET, Tumkur

Participants:

The program was attended by 7th semester EEE students of SIET College.

Outcome:

- Understanding the key principles and components of research methodology
- Developing the ability to structure and present research reports effectively
- Enhancing writing style, language proficiency and adherence to ethical standards

Conclusion:

The workshop on “**Research Methodology-Review Process**” was successful in providing participants with valuable insights and practical skills in producing high-quality research reports. The sessions covered a wide range of topics, from research design to data analysis and report structuring. The participants expressed satisfaction with the workshop content, delivery, and the interactive nature of the sessions. The workshop facilitated the development of crucial skills that would enable the participants to conduct research effectively and present their findings in a clear and concise manner.
