MUTUAL SUPPORT AND COOPERATION:

It is herewith mutually agreed and declared that for the strengthening of SIET Engineering Students and also for the assistance of VLIND, the following issues have been agreed and put into operation.

1. Scope of the MoU:

- Shridevi Institute of Engineering & Technology (SIET), an Institute of Higher Education was established in the year 2002 with the sole aim to imparting quality Technical Education. It is approved by AICTE & affiliated to Visvesvaraya Technological University, Belagavi, Karnataka state and presently offers 6 Under-Graduate Programmes, 6 Post Graduate Programmes and 6 Ph.D. Research Programmes – covering 'Engineering & Technology', and 'Management' streams.
- The VimannaLabs India Private Limited (VLIND), is a Drone Development and
 Services Company having expertise in Technology, Research, Training & Development. VLIND was established in September 2019 keeping in mind the vast potential of India in the Unmanned Aerial Vehicle (UAV).

Maymel mans

SIET., TUMAKURU

- The SIET on its part is interested in associating with VLIND for using their expertise
 to promote and deliver the technical workshop, technical Internship, Project Work
 and any technical program driving innovation as a graduate Program of Shridevi
 Institute of Engineering and Technology.
- The purpose of this Memorandum of understanding is to set forth the terms and conditions under which the Parties to this understanding shall conduct themselves during the subsistence of the Memorandum.
- Both parties as above have expressed a desire of entering into a Memorandum of Understanding for furnishing value addition to students to promote knowledge, skills and employability.

4 2. Curriculum Design and Mutual Support :

- VLIND will give valuable inputs to the SIET in teaching / training methodology suitably customize the curriculum so that the students fit into the industrial expectation.
- This Memorandum of Understanding ("MoU") is not intended to be legally binding except as specifically set out below.
- The SIET shall provide the necessary support to the VLIND to deliver the training on the agreed subject's / Programs.
- Students who opt for the program avails the facility of the VLIND & SIET, to learn
 the stated subject and do the project in the chosen field of interest.
- The VLIND can use the name of Shridevi Institute of Engineering & Technology for
 promoting the programs in advertisements and other modes of communications and
 the SIET can use the name of Vimanna Labs India Private Limited for promoting the
 admissions and to use in website, banners or brochure for admission related activities.
- The VLIND provides electronic copy of relevant learning materials to the students opt for the respective programs. All responsibilities regarding registration of the students should be dealt by the VLIND.

The VLIND will also register itself on AICTE Internship Policy Portal for disseminating Internship opportunities available with them.

PRINCETITUTE
SHRIDEVI INSTITUTE
SHRIP
SHRIDEVI INSTITUTE
SHRIP
SH

- The complete list of students of the course shall be provided to the VLIND by the SIET.
- Changes in students, if any, shall be communicated by the representative of the SIET to the VLIND immediately without any delay.

3. Industrial Training and Visits:

- The VLIND to permit the Faculty and Students of the SIET to visit its group companies and also involve in Industrial Training Programs for the SIET. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career.
- The SIET will provide its Labs / Workshops for the hands-on training of the learners enrolled with the VLIND.

4. Internships and Placement of Students:

 VLIND will actively engage to help the delivery of the Internship and placement of students of the SIET into internships/placement activity, as per AICTE internship Policy.

5. Research and Development:

 Both the parties have agreed to carry out the joint research activities on the Emerging Technologies of mutual interest.

6. Skill development Programs:

 VLIND to train the students of SIET on the emerging technologies in order to bridge the skill gap and make them industry ready.

7. Guest Lectures:

 VLIND to extend the necessary support to deliver guest lectures to the students of the SIET on the technology trends and in house requirements.

8. Faculty Development Programs:

 VLIND to train the Faculty members of SIET for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

9. Intellectual Property:

- All intellectual property created by a party in connection with the Collaboration shall remain the property of that party. The Parties agree that any material jointly created by the Parties for the collaboration shall be jointly owned (in equal proportions) by the parties, unless otherwise agreed in writing.
- Where the collaboration reasonably requires the use by one party of intellectual property that is owned by the other party (the "IPR Owner"), the IPR Owner will license such rights to the other party on a non-exclusive basis, without the right to sub-license, solely for the purpose and to the extent necessary in connection with the collaboration under this MOU and/or subsequent binding agreement. Any such license will automatically terminate when the MoU is terminated.
- For the purposes of this MoU, "Confidential Information" shall be confidential in nature (whether written, visual or oral) concerning the business and affairs of either party which is obtained or received as a result of the discussions leading up to, the entering into or the performance of this MoU, including financial information, training & learning material, trade secrets, college lists, trade and commercial details and computer software and databases, the contents of all reports and documentation prepared by either party or on its behalf.
- Parties shall always abide, while this MoU remains in force and after terminated, keep confidential Information except where: The Confidential Information was already lawfully known, or became lawfully known to either parties independently; and any other information of a confidential nature designated by a party as confidential.
- Each of the Disclosure or use is necessary by either of the parties (including their employees, agents and sub-contractors) for the proper and effective performance of this MoU;

TUNING & TECHNOLOGY
TUNING & TECHNOLOGY

- Disclosure is required by law to any government, governmental department, agency, regulatory or fiscal body or authority (whether national or foreign) and their authorized agents (including professional advisers).
- The Confidential Information is disclosed, in the case of VLIND, to another member of the VLIND group of companies.
- All disputes and differences of any kind whatever arising out of or in connection with this MoU shall be referred to the arbitration, and the final decision of an arbitrator jointly appointed by both the Parties to be agreed upon and appointed by both the parties. This submission to the arbitrators shall be deemed to be a submission to arbitration within the meaning of the Arbitration and Conciliation Act, 1996, or any statutory modification thereof. The award of the arbitrator or arbitrators shall be final and binding on the parties.
 - In case of any disputes not settled due to arbitration it will be subject to the courts of Bangalore Jurisdiction. The laws of India shall be applicable.

10. Validity:

- It is intended that the terms of this MoU will remain in force for an initial period of
 (3) three years from the date of agreement and shall be valid until the termination or expiration, whichever is earlier of this MoU.
- The MoU can be extended for further periods after the expiry of (3) three years upon the parties mutually agreeing such extension in writing. The terms of this Memorandum may be modified at any time by both Parties on mutual consent.
- The execution of the MoU in principle is subject to mutually agreed terms & conditions from time to time.
- Either party shall be entitled to terminate the MoU on 60 days' prior written notice.
 The MoU will autematically terminate.
- · If either party becomes insolvent or is subject to a change of control.
- If this MoU / transaction / business is unenforceable, void or illegal due to any statutory or regulatory requirements.
