MINUTES OF MEETING

The meeting of Teaching staff and HoDs was convened by the Principal Dr. H.B. Phani Raju on 06-09-2017 Wednesday at 3.30 P.M in Seminar Hall Mechanical Block to discuss on Admission and Academic issues.

The following members were present in the meeting.

All HOD's and All Staff Members and Office Superintendent.

Meeting Proceedings.

1. Principal Dr. H. B. Phani Raju welcomed the members With Teachers Day wishes and Chaired the Session.
2. Principal invited the staff to express their frank feedback on the present situation and for increasing the Admission and Academic standard.

Following feedbacks were expressed by the senior faculty members from various departments

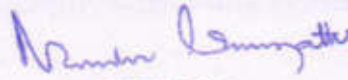

- a. Senior staff from Mechanical Department expressed that there is no control over the students in the Department causing less Attendance. Another staff informed that there is no printer in Mechanical department from past one and half year. The basic facility to the staff to be improved. Principal replied that wearing compulsory ID card helps in controlling the students. Printer and other facility will be provided if the request is sent through their HOD. He also informed that the HOD shall take the responsibility of controlling the students with the support of staff.
- b. Another senior staff expressed that the staff are in depressed mood and not working happily because of the present situation. There is shortage of Teaching staff and Instructors in many departments and Staff need motivation and encouragement. Principal replied that there was some financial problem due to certain reasons all these days. Now the situation has improved and the salary/increments/facilities will be improved from now onwards. He wanted the staff to work with happy mind and have positive attitude. He also said that the admission has hampered due to negative publicity from few disgruntled staff members. He requested the staff members to make positive publicity to the society on the SIET. These ups and downs are natural and normal in all the institution. He gave the example of RV and PES colleges also. Further he insisted the staff to work happily with positive mind if not, he suggested to look at the place where they can have happy career.

- c. Some staff expressed that there was very good facility and support to the staff & students earlier to 2012. The facilities are curtailed nowadays. Principal replied that the facilities' will be extended from now onwards as the financial situation is improving.
- d. Some staff members expressed that we have very good Infrastructure but the Maintenance is poor causing suffocation and inconvenience with respect to Basic amenities. Principal expressed that this is very important and taken care by assigning the SIET staff as Floor Managers for Individual Floors and Building.

Finally Principal briefed about the Admission Status of this year and requested all the staff to make their effort to get admission even now. Fees concession will be given for the students recommended by the staff.

Meeting concluded with vote of thanks from the Principal.

SHRIDEVI INSTITUTE OF ENGINEERING & TECHNOLOGY, TUMAKUR

Minutes of the Weekly HoDs meeting held on 1st May, 2020, the following points were discussed.

1. Registration to Google classroom: All HoDs informed that the registration of students in all subjects to google Classroom was complete and majority of students have registered for the same. It was found that the number of students registered almost was equal to the number of students in the class, but the number of students attending regular online classes was less than the registered students. Hence, it was decided to identify such students who have registered in the Google Classroom for the sake of test and online assignment, and warn them to attend the regular online class in coming weeks, failing which their test and assignment will be valued and they will be marked absent for the IA marks.
2. HoDs expressed satisfactory attendance for the first two sessions of the online Google Classroom test conducted on 1st May 2020. Absentee students were asked to be contacted and warned.
3. All Hods were asked to inform their faculty to evaluate all the assignments submitted by students through means such as WhatsApp, email, etc., immediately. In addition, the online Google Classroom test and assignment must be evaluated before Wednesday 6 May 2020. All these marks must be consolidated into a single xl sheet for every class and submitted to the principal through email on Friday 8 May 2020.
4. Portions covered till date was discussed at length. It was decided to take extra classes in case of subjects where the portions covered is about 50% to 70%, i.e., faculty who are either in the 3rd module or beginning of 4th module. These faculty must engage at least two extra classes per week with effect from Monday 4 May 2020 till Saturday 16 May 2020. All HoDs were informed to prepare an exclusive timetable for the period 4 May to 16 May 2020. Additional classes to be engaged after 12.30 pm onwards every day.
5. All HoDs were asked to inform their faculty and mentors to take extra effort in contacting each and every student and/or parent of the class and make them realize about the importance of online classes. It has been observed that despite several attempts some of the students are still missing and absent for the online classes. This is evident from above point at sl.no. 1. These students must be warned of the consequences of them missing online classes as this is the only alternative left and they must be convinced that they not only lose their academics and also they may fail in the exams leading to loss of academic year.
6. It was reported that the 8th semester BE technical seminars are underway and mostly completed by next week. It was informed to HoDs to take up Project seminars and progress updates on project completion immediately after this. The process of project seminars and progress updates to be completed before May 16, 2020.
7. HoDs were informed to make sure that at least minimum 80% portions are completed in every subject before May 16, 2020. As after the lockdown and college reopens, the emphasis will be on conducting laboratory, revision of some important topics, discussion of VTU question papers and assignments and final assessments to be done before the final VTU exams.
8. Principal reminded all HoDs to make sure that the work diary by all faculty is submitted before 3rd May 2020.
9. Principal informed all HoDs that, our Hon'ble Chairman, was apprised of the academic progress of the college during lockdown. The Chairman expressed satisfaction over the progress and asked all faculty to motivate students and keep them academically engaged during lock down by taking online classes sincerely and do justice. He also asked all faculty to also make sure for students who are unable to access and attend online classes, to provide all support for learning.
10. Principal thanked all HoDs and faculty for their continued academic support during this lock down period.

Meeting Proceedings:

1. The minutes of the previous meeting held on 06-05-2020 and 11-05-2020 was reviewed and ratified.
2. Principal reminded all the HoDs to guide their departmental teaching staff and Instructors to prepare Video clips of the Laboratory experiments and same may be circulated among the students. The experiments shall be demonstrated by teaching faculty only. The links for these videos may be submitted to Principal after uploading it on YouTube and the same will be published in college website.
3. Principal informed to complete 75% of the experiments from the VTU prescribed experiments.
4. Principal informed to conduct 4 hours of online classes with effect from 25/05/2020.
5. All the HoDs are informed to frame common time table for conduction online classes as follows:

1 st Period	2 st Period	Break	3 st Period	4 st Period	Afternoon session
9.30AM To 10.15AM	10.15AM To 11.00AM	11.00AM To 11.15AM	11.15AM To 12.00 PM	12.00 PM To 12.45 PM	Lab sessions 01.45 PM To 4.15PM

6. Principal informed to submit the percentage of online classes attendance from 07/04/2020 to 03/05/2020.

7. Principal stressed upon the importance of mentoring students through personal telephone calling by every faculty taking classes. He urged all HoDs to personally oversee the process of calling students and making them attend the online classes. He also requested HoDs to prepare the list of students who have not attended a single online class and also students with less than 60% attendance and make phone calls to them and counsel them for online attendance.
8. Principal once again reviewed and discussed the actual results against the projected results of all semesters by department. It was seen that the projected results were very close to the projected results indicating true analysis and efforts.
9. Principal discussed the results analysis of all semesters and stressed the fact that students need to be coached and make them exam ready for both failed subjects of previous odd semester and current semester regular subjects. Principal informed that detailed results analysis discussions will be held with each department and First year faculty separately to come to consensus on effective teaching and coaching students for their exams.
10. Principal discussed the feedback given by the students on the effective conduction of online classes.

Meeting Proceedings:

1. The minutes of the previous meeting held on 10-05-2021 was reviewed and ratified.
2. Principal enquired all the HoDs regarding the status/conduction of online theory classes and laboratories conducted by their respective department. Principal informed HoDs that though the student attendance is generally acceptable in most of the subjects, but however the student attendance is poor in some classes and needs improvement. Principal appreciated the efforts by faculty in engaging in online classes and said there is always scope for improvement in delivery and conducting online classes.
3. Principal asked all HoDs to see that all lab sessions are conducted as per schedule as still some labs needs to be started.
4. Principal expressed he was extremely satisfied with I year (II semester) B.E. student online attendance.
5. Principal expressed satisfaction over conduction of 8th semester B.E. Internship / technical seminar sessions. However, he asked all HoDs to expedite the completion of syllabus and all academic requirements for these students as VTU may conduct their SEE earlier than others to let them graduate soon.
6. Principal informed al HoDs to submit the daily online attendance status of the students consolidated week wise starting from 26.04.21 till date. Principal asked all HoDs that the status file must have the screen shot of the zoom class attendance, details about the subject name and code, time and date for every class taken during the day and week. This needs to be consolidated week wise for all faculty and posted to principal email before 22.5.2021 (for classes till 15.05.21) and later every week.

7. Principal reminded all HoDs to make sure the question papers and scheme & solution for the 1st IA is kept ready.
8. Principal advised all HoDs to inform their faculty to create the concerned Google class room for uploading the question paper and enabling students to upload their answer sheets after the test. He also advised all faculty must schedule the Google meet and share the link with all students and use the Google meet as a platform for conducting the test. This means the Google meet is used as a virtual class room for monitoring the test. The test process on Google meet must be recorded for every test.
9. Principal asked all HoDs to inform their faculty to register for ATAL FDP online courses and get e-certificates. The link has been shared to all HoDs.
10. Principal informed that Mr. Manthesh will share the fees dues list and the HoDs to make sure that the students are individually called and informed to pay the fees due.
11. Principal asked all HoDs, who are authorized as SSP e-attestation officers to make sure that all student applications on SSP are duly authorized by them in coordination with office.
12. Principal informed that the VTU revaluation date has been extended and the same to be informed to all students concerned.
13. Principal asked the Placement officer to schedule placement meetings for all 8th semester students in coordination with HoDs to address all students and get feedback on the placement issues.
