Books become permanent companions.  
 Sometimes, they are born before us;  
 they guide us during our life journey  
 and continue for many generations.

Books become permanent companions.  
Sometimes, they are born before us;  
they guide us during our life journey  
and continue for many generations.

Books become permanent companions.  
 Sometimes, they are born before us;  
 they guide us during our life journey  
 and continue for many generations.
