JOB OFFER LETTER

Dear APPUYADAV. E,

We are delighted to extend a Job offer for you in our company. Following your application and the subsequent interview, we are confident in your ability to contribute significantly to our team.

Position: Site Engineer

Commencement Date: 01/08/2023

A comprehensive appointment letter detailing the terms and conditions discussed during the interview will be provided upon your joining. Your salary, including CTC remuneration, aligns with our previous discussions.

This offer is contingent upon the accuracy of the information you provided. If any discrepancies arise in the copies of documents or certificates submitted as proof, we reserve the right to review our offer of employment.

Kindly inform us promptly about your preferred joining date and return the duplicate copy of this letter signed as a token of acceptance.

We are enthusiastic about the possibility of you joining our team, and we look forward to your positive response.

Best Regards,

For RIDDHAH CONSULTANCY LLP.
