NPTEL Online Certification

The objectives of enabling students obtain certificates for courses are to make students employable in the industry or pursue a suitable higher education programme. Through an online portal, 4, 8, or 12-week online courses, typically on topics relevant to students in all years of higher education along with basic core courses in sciences and humanities with exposure to relevant tools and technologies, are being offered. Enrolment to and learning from these courses is free. Following these online courses, an in-person, proctored certification exam is conducted and a certificate is provided through the participating institutions and industry, as applicable.

Shridevi Institute of Engineering & Technology has approved SPOC coordinator and continuously motivating students to complete NPTEL certification courses to upgrade technical skill in the latest domains to meet industrial requirements to make them employable.

Visvesaraya Technological University will consider NPTEL certifications to award Honors degree for B.E students based on the credits scored as per the guidelines.
