Dear Mr. Anjan,

Greetings from Omega Healthcare Management Services Pvt Ltd..!!

Thanks for the email & confirmation from your end!

Below details will give you a heads up on our Company & as well on the position.

Medical Coding is the fastest-growing profession in the healthcare industry today. Being a niche specialization the demand for trained and certified medical coders is expected to increase in the coming years, especially in India.

What is Medical Coding and how can your students benefit from it?

A Medical Coding professional is a valuable member in the team working with the US eco-system of patients, doctors and insurance companies.

By coding diagnosis and procedures on patient medical records into universally-accepted medical codes, coders play a key role in ensuring proper reimbursement.

About OMEGA Healthcare

Omega is the Premier Offshore Provider of Healthcare Outsourcing services. It is the largest Medical coding company and largest RCM Company in the world except US.

We Specialize in Medical Coding, Medical Billing, Accounts Receivable Management and other Healthcare related Services.

Omega Healthcare has made successful in-roads in the healthcare BPO space, and is today the largest employer of Medical Coders in the world !

Please go through our website www.omegahms.com for a detailed explanation of this fast-growing opportunity.

Roles and Responsibilities:

- Understand the client requirements and specifications of the project and code the charts accordingly
- Code records by following prescribed coding standards such as ICD-10 and CPT
- Ensure patient information are correct and appropriate signatures on all medical records
- Assign appropriate medical codes to all diagnosis and services
- Follow client specific guidelines wherever applicable & working as per client updates and coding the charts accordingly
- Meet the productivity targets of clients within the stipulated time
- Ensure that the deliverables to the client adhere to the quality standards
- Prepare and maintain status reports.

Eligibility criteria:

GRADUATION & POST GRADUATION IN

ANY LIFE SCIENCES, MEDICAL, PHARMACY, NURSING INCLUDING

- BSC/MSC BIOTECHNOLOGY
- BSC/MSC MICROBIOLOGY
- BSC/MSC BIOCHEMISTRY
- BIOLOGY, ZOOLOGY, BOTANY, CHEMISTRY, GENETICS

Subject: (External Mail): Confirmation: With Regard to Campus Recruitment

CAUTION: This email was sent from an EXTERNAL Source, Use caution when clicking links or opening attachments.

Dear Mr. Karthik,

Greetings from all of us at Shridevi Group of Institutions, Tumkur, Karnataka.

At the very outset, thank you so much for giving opportunity for our Institution to have the recruitment process and we are very happy to have the process on 2nd April 2019.

We are communicating with all the Graduate colleges having Life Science streams from Tumkur along with Nursing, Para Medical, Pharmacy colleges in order to invite students to participate in the selection process. Even you can also pitch in your contacts and convey to visit our campus on scheduled date to take part in the process.

We are expecting you to be here by around 9AM on 2nd April for the process and please update me how many of you are visiting for the process so that will prepare accordingly.

Any further information please feel free to contact me.

Thank you with warm regards,

--

Anjan,
Training & Placement Officer | Shridevi Institute of Engineering & Technology | Tumkur |
