Redressal of the grievance lodged by the Student Sri Kanthraju N bearing USN 1SV15ME022 on 16/11/2018.

Proceedings:

The grievance lodged by Sri Kanthraju N is that he found some worms in the food served in the hostel the previous night. The hostel mess manager Sri Vasudev was called for an interaction. The mess manager said the food grains will be cleaned before being used for cooking. For this comment the Principal remarked that the worms will be developed in the preserved food grains. Hence cleaning of food grains is necessary at the instant just before they are being used for cooking purpose. The Principal instructed the mess manager to follow the practice of getting the food grains cleaned just before using them for cooking rather than getting them cleaned earlier and preserving them.
