

Method of Recruitment

A person applying for an appointment to any service or post shall submit his application to the Managing Trustee. Recruitment, which is either by selection, or by promotion based on seniority-cum-merit. In respect of direct recruitment to any teaching service or post, the method of recruitment shall be by selection after an interview by the Committee headed by the Managing Trustee.

A nonteaching person's selection maybe at the discretion of the Managing Trustee.

As a proof of correct date of birth, only the entry made in the school-leaving certificate/ SSLC Marks list shall be accepted.

The appointment shall become operative only on candidate's fulfilling the requirements of producing original documents.

Constitution of Selection Committee:

(1) For the purpose of recruitment to teaching and non-teaching posts (other than the post of head of the institution), to an Institution, the Managing Trustee shall constitute a "Selection Committee" consisting of-

(a) The Managing Trustee [or in his absence Medicine Director (Trustee)]
- Chairman

(b) The Head of concerned Institutions - Member

(c) An educationist or an expert in the subject to which recruitment is to be made, selected by the Managing Trustee.

(d) Director HR&IT - Member.

(e) Nominee by the Managing Trustee.

(f) Chief Executive Officer of the Trust - Convener.

(g) Nominee from University.

(Defined in Service Rules of Shridevi Charitable Trust under Rule No.10 and 11)

Vision of Electronics & Communication Department

To be a premier centre of education and research in Electronics & Communication Engineering for producing competent engineers to cater to the needs of industry and society.

Mission of Electronics & Communication Department

M1: Impart quality education through innovative and continuous teaching – learning process

M2: Groom the students with required foundations of Electronics & Communication Engineering and inculcate in them the professional ethics & human values.

M3: Train the students and the faculty in state – of – the-art technologies and motivate them for higher studies & innovation based research for the needs of the industry and society.

M4: Create centers of excellence in the field of Electronics & Communication Engineering in collaboration with the industries and academic organizations.
