Soft skill Training Activities/ICT Computing Skills/Personality Development Programs

Soft skills are attributes that help you to connect t in meaningful interactions with others. Soft skills are more focused on social skills and how we build relationships with others. Soft skills can influence everything from the way students communicate with teachers, trainers, and fellow friends to the way they solve problems and take decisions.

The importance of soft skills training for students is listed below.
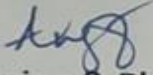

- It helps build emotional intelligence
- It helps improve interpersonal relationships with others
- It helps to understand lectures better
- It develop problem-solving skills
- It helps to improve communication skills
- It develops leadership quality in students

Shridevi Institute of Engineering and Technology regularly conducting softskill training activities through placement and training cell to improve overall professional and personal skills to meet industry requirements.

The Principal / IQAC

SIET

Respected Sir,

Sub: Request for organizing Aptitude & Soft Skills and Technical Training programs for our 4th & 6th semester Engineering students.
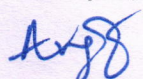

Reference to the subject, as you are aware that, the Campus Placements are very important to any Organization to brand the Institution among the competitive environment. The Campus Placement purely depends on the performance of students in the selection process when the Recruiter visits Campus for Placements. Our students should be prepared in order to face the test and interview processes of a Company.

In this context, we propose to organize Aptitude & Soft Skills and Technical Training Programs for our present 4th & 6th semester engineering students to prepare and perform well in the forthcoming Campus Placement seasons.

Hence requesting to permit to organize Aptitude & Soft Skills and Technical Training Programs for our students as per the schedule proposed below tentatively.
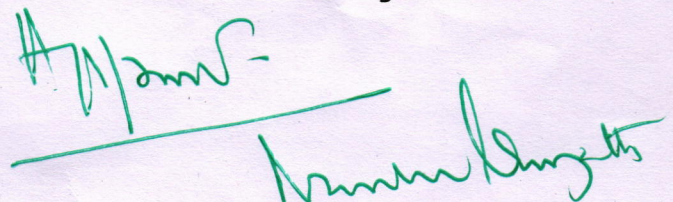

Semester	Date	No. of Days	Module
4th semester Engineering (All branches)	24th July 2023 to 29th July 2023	6	Aptitude & Soft Skills
4th semester Engineering (CSE, ISE, AIDS & ECE) students	30th & 31st July 2023 and 1st & 2nd August 2023	4	Technical Training on C & C++
6th semester Engineering (All branches)	16th August 2023 to 21st August 2023	6	Aptitude & Soft Skills
6th semester Engineering (CSE, ISE & ECE)	22nd August to 26th August 2023	5	Technical Training on C & C++

Thank you,

Training & Placement Officer

CAMPUS RECRUITMENT TRAINING

Date: 10-08-2023

At the very outset, we are happy to inform you that, as per the Management direction through Department of Training & Placement we are organizing **"Campus Recruitment Training"** for 6th semester students (2024 batch) of all branches for **4 days from 16th August 2023 to 19th August 2023**. We have made 2 batches to conduct programme effectively. The details are;

Date	Timings	Venue	Branches
16th to 19th August 2023 (4 Days)	8.45AM to 5.00PM	Room No. 204	ECE, EEE, CV & ME
		Room no. 203	CSE & ISE

This Program is organizing to enable the students to prepare well and to face the forthcoming Campus Recruitment confidently. In addition to this another 2 days of refresher classes and 4 days of continued Aptitude & Soft skills programs will be conducted in coming days. We have planned practice sessions and periodic assessment along with this. This helps our students to focus on preparation on Aptitude & Soft skills part to focus for Placements. Hence students should take these training sessions very seriously and utilize this opportunity extensively.

All the HODs are hereby informed that, convey this information to respective branch students to participate as per their schedule and make necessary arrangement to take attendance and also to maintain the discipline in the classroom.
