Mon, Feb 20, 2023 at 12:55 PM

Dear Sir,

Greetings from TuringMinds.Ai !

TuringMinds.Ai, is a leading solution provider to the global fortune 500 firms. We employ, transform & provide AI/ML solutions to the movers and shakers of the world. TuringMinds.Ai pioneers in AI services and houses one of the most significant workforces of Data Scientists and ML engineers. We are part of a \$2billion ed-tech giant with 100+ clients and 600+ AI/ML Engineers.

TuringMinds.Ai is looking to expand its footprint in India and USA through committed ML Centers of Excellence. We are looking at hiring more than 500 resources for both our India and USA offices.

In this regard, we would like to approach your esteemed institution to conduct campus drives for the 2019-2023 Batch. Please find the attachment containing the JD as well as an offer letter template for your reference.

Note - All branches are eligible for the recruitment drive.

Recruitment Process

- Pre-Placement Talk
- Aptitude Test
- PI Round

Please communicate the same with the students and let us know.

We are confirming for the drive on 23rd February 2023.
